and the Impact of COVID-19 and the flu

Our executive met on Oct 17, 2022 and there is not the same level information being provided, We have seen a lot more people getting sick and not all of it covid-19. We had to make a decision about the Halfway Dance 2023 we don't think large gathering is a good idea right now.

So it is no surprise, but it makes us sad to announce Mississippi Squares are cancelling the 2023 Halfway dance. We look forward to seeing everyone at the next years Halfway dance. We miss you all take care and be safe.
